

IMPORTANT INFORMATION – PLEASE READ BEFORE ORDERING

Dear Customer,

Please be aware of the following important terms regarding skip hire with Quick Skips Ltd.

Weight Limits for Maxi Skips (10yd and above)

Maxi skips are charged at a tonnage rate. The initial hire cost covers the base allowance listed below – excess weight is charged per tonne:

10yd – includes 2 tonnes

12yd – includes 2 tonnes

16yd – includes 2.5 tonnes

DO NOT load heavy materials such as soil or rubble into 10yd, 12yd, or 16yd skips.

Restricted & Prohibited Waste

The following items must not be placed in any of our skips:

Hazardous & Polluting Waste:

Plasterboard, asbestos, gas bottles, fire extinguishers, aerosols, oil/oil drums, paint tins, fluorescent tubes, batteries, or any container that has held hazardous substances.

Electrical & Upholstered Items:

Fridges, freezers, TVs, monitors, mattresses, sofas, sofa beds, armchairs, bean bags, and similar items.

Other Restrictions:

Tyres, cylinders of any type, roofing felt (only 20% allowed per load), railway sleepers, telegraph poles, and clay or non-recyclable inerts (these are subject to higher rates).

⚠ If any of the above items are found in your skip, you will be contacted and charged for their safe disposal. Alternatively, return delivery of these items can be arranged, but additional charges may apply.

For more details or to arrange proper disposal, please contact our office:

☎ 01202 776666 | 🌐 www.quickskips.co.uk

21 DAYS HIRE ONLY

Placement & Access

Drivers are not permitted to:

Drive over footpaths, driveways, grass verges, or soft/landscaped ground

Lift skips over fences, walls, barriers, or place on sloped/raised ground

If a hirer requests the above and damage occurs (excluding negligence), Quick Skips Ltd is not liable. Any damage to our vehicles or property during such instructions will result in charges to the hirer.

Protect Your Property:

Please safeguard driveways, resin, paving slabs, manhole covers, and other vulnerable surfaces before delivery/collection. We are not liable for damage if precautions aren't taken.

Additional Services

We don't just do skips – ask us about:

Aggregates – competitive pricing on all materials

Muck-away loads – small or large, call us for a quote
